Forecast for Sunday 09 Jul 2023

Weather: Some spells of rain with a chance of thunder at first with some low cloud, but it will become dry and brighter by late morning. The afternoon will see sunny intervals and the chance of a few heavy showers, these most likely across the north of the region.

Chance of cloud-free hill tops above 800m: 40% becoming 90% in the afternoon.

Low cloud and visibility: Some patchy low cloud down to 500 metres at first, more especially across the Cairngorms. Otherwise good visibility with cloud largely above summits by afternoon.
